In the *Federal Register* of October 6, 2020, in the FR Doc 2020-22053 on page 63081, in the first column, correct the all-others cash deposit rate for “all other producers or exporters” in the first paragraph under the “Cash Deposit Requirements” section. The correct all-others cash deposit rate for “all other producers or exporters” is 6.05 percent.

Background

On July 9, 2019, August 5, 2019, and October 6, 2020, Commerce published in the *Federal Register* notices of the final results of the 2016 – 2017 administrative review, the amended final results of the 2016 – 2017 administrative review, and the final results of the 2017 – 2018 administrative review, respectively. We incorrectly identified the cash deposit rate for all others (*i.e.*, “for all other producers or exporters”) as 5.55 percent. The correct all-others cash deposit rate applicable during the 2016 – 2017 and 2017 – 2018 periods of review did not change from the rate that was established in the less-than-fair-value (LTFV) investigation and the antidumping duty order. In the LTFV investigation, Commerce established a 6.05 percent cash deposit rate for all others (*i.e.*, “for all other producers or exporters”) as published in the

antidumping duty order.¹ We hereby notify the public that Commerce should have identified the all-others cash deposit rate as 6.05 percent in the above-referenced determinations. We intend to notify U.S. Customs and Border Protection of these corrections.
